Worth Valley Primary School NEWSLETTER

19 June 2026

Headteacher's Message

As I write this newsletter, excitement levels around school are very high as we get ready to enjoy our Inflatable Fun Day! Events like this create wonderful memories for our children. Thank you to Mrs Dobson and the Friends of Worth Valley Primary for organising the event. The time and effort dedicated to fundraising is greatly appreciated and every penny raised goes directly back into school, enabling us to provide fantastic experiences and treats such as this for our children.

On Tuesday we will be taking part in our Tech-Free Day, where children will spend the day learning without the use of screens and technology in the classroom. This is a great opportunity for pupils to explore different ways of learning and working together. Thank you to Miss Milner—our Geography, Climate and Sustainability Lead - for organising what promises to be a valuable and enjoyable day.

As you will see from the key dates on the back page of this newsletter, the final few weeks of term are incredibly busy; with trips, performances and special events taking place across school. It is always one of the most exciting periods of the year and we are looking forward to celebrating everything that our children have achieved.

It also looks like we might be able to enjoy some more sunny summer weather over the next few days! Please ensure that sun cream is applied before your child comes to school each morning and that they bring a named water bottle and a hat with them. We are committed to helping children stay safe in the sun during the school day, but we rely on your support with these preparations.

A reminder also that absences due to sun exposure will not be authorised. It is the responsibility of parents and carers to ensure that children are appropriately protected from the sun so that they can attend school safely and enjoy all of the exciting activities taking place over the coming weeks.

Thank you, as always, for your continued support.

Well done to Reception, who have achieved the highest class attendance for the last 2 weeks!

Last week they reached over 99%, earning themselves an extra long playtime and biscuits. Amazing!

Last week, Butterfly Class enjoyed a fantastic trip to Manchester to visit the SEA LIFE Centre and LEGOLAND Discovery Centre. The children had a wonderful time exploring, learning and having fun throughout the day.
