

What a busy few weeks we've had. We've been getting to know each other, exploring our new classroom, making new friends, enjoying school dinners and learning lots. This half term we have started our daily Little Wandle phonics sessions and our reading practice groups.

Books go home with your child on a Thursday and need to be returned the following Tuesday. Please look after our lovely new books and don't forget to sign the reading record your child brings home, we're all working towards our bronze badges.

Here is a link to some useful Little Wandle parents resources.
