Autumn 1
What are we learning in Year 4?

Geography

This term, we will be answering the question of where our food comes from around the world and how food choices affect the environment.

English

In English, we are reading The Railway Children. The children will be using carefully selected vocabulary to create their own narrative and poems, and will be writing a newspaper report.

Maths

In Maths we will be recognising the place value of 4-digit numbers, rounding numbers to the nearest 10,100 and 1000 and comparing and ordering numbers.

Computing

The children start the year learning how to protect themselves online, and how to identify positive and negative online influences.

PHSE

In Me and My Relationships, we explore feelings and emotions, develops skills to manage conflict, helping the children to identify people who are special to them.

Art

In Art, we will be creating realistic drawings by exploring tone, texture and proportion.

Science

In Animals Including Humans, we learn how to describe the functions of the parts of the digestive system in humans, to identify the different types of teeth in humans and their function and to construct and interpret a variety of food chains.

Music

The children will be learning about the origins and features of Rock and Roll and will be learning the Hand Jive.
