Autumn 2
What are we learning in Year 5?

History

We are learning about the Vikings this half term. We will be identifying where they came from, why the invaded Britain and key events which happened during the Viking era. Year 5 will also learn about trade and why the Vikings traded.

English

This half term we are reading the Lion, the Witch and the wardrobe. We will be writing a letter, dual narrative, character descriptions and a set of instructions.

Maths

Our focus in maths is addition and subtraction including rounding to estimate the answer and using inverse to solve questions. We will also be learning about multiplication and division, factors and multiples.

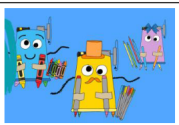

Science

This half term we are learning about Earth and Space. We will be understanding the order of the planets, how night and day occur, Earths movement in Space and the phases of the moon.

RE

This half term we are learning about what values people live by. We will be investigating several religions including humanism, Christianity and Muslims.

DT

This half term we are investigating and making doodles using simple circuits. Doodles are mechanisms which move using a motor and draw a pattern while moving around a space.

Spanish

We are learning about where I live.

PSHE

Valuing differences is our theme for this half terms PSHE. We will be focusing on qualities of friendships, good listening skills, positive ways to communicate and discrimination.

Computing

Our topic this half term is coding, the children will be learning to simplify codes, understand what a simulation is and create playable games. Year 5 will also be understanding what a function is and how they work in coding.
