Sentence Stems – Voice 21 Naomi Flynn

LET'S TALK!

When you want to include someone	When you want to make a connection	When you are listening	When you agree	When you disagree	When you need help or more information	When you want to cite evidence
What do you think?	This is similar to…	Focus carefully on what is being said	Great idea, I think so too and…	I see your side but I think…	One question I have is…	For example…
Do you agree?	This is different from … because…	Silently think about your response	To add to what … said about … I …	I have a different answer than you…	May I have some time to think?	Since the text said… I know…
What would your answer be?	This was interesting because…	Listen silently	I see what you mean…	I can see another way; let me explain…	Where can I find that information…	For instance…
What are your thoughts?	I can relate to this because…	Be prepared to add to the discussion	I agree with that, but on the other hand…	I can see that…. however I don't see that…	I have a question about that…	On page something I read…
	This reminds me of…		I agree because…	That's a good point but…	Could you repeat that?	When the author said… s/he meant…
	This makes me think of…				I am not sure I understand. Could you explain again?	I know …because the text said …
