PE and Sport Premium Intended Spend 2025-2026

Overview of the PE and Sport Premium

The PE and Sport Premium is additional funding provided by the Government to help primary schools make sustainable improvements to the quality of their physical education (PE), physical activity and school sport provision. The funding is jointly provided by the Department for Education (DfE), the Department of Health and Social Care and the Department for Culture, Media and Sport.

Schools are required to use the funding to make additional and sustainable improvements to PE and sport, ensuring that all pupils develop healthy, active lifestyles. The funding must not be used to replace statutory provision and should be aligned with the national guidance on effective use of the PE and Sport Premium.

Worth Valley Primary School's PE and Sport Premium allocation for 2025–2026 is **£17,730**. There is no carry-forward from the previous academic year.

Intended Use of Funding	Cost	Impact
Employment of a part-time sports coach to support and upskill teachers in their delivery of PE and lead extra-curricular activities	£6,700	• Improves the quality of PE teaching through team-teaching and modelling best practice • Increases staff confidence, subject knowledge and consistency in curriculum delivery • Increases pupil participation in extra-curricular sport and competitive events • Supports pupils' physical fitness, confidence, behaviour and self-discipline • Increased confidence, knowledge and skills of all staff in teaching PE and sport • Engagement of all pupils in regular physical activity
Top-up swimming lessons for Year 5 pupils	£2,566	• Ensures pupils who missed swimming provision due to leisure centre refurbishment can work towards national curriculum expectations • Improves swimming competence, confidence and water safety skills • Increased confidence, knowledge and skills of all staff in teaching PE and sport • Engagement of all pupils in regular physical activity
Transport for top-up swimming lessons	£1,920	• Removes barriers to participation by ensuring pupils can access swimming provision • Supports equal access to statutory swimming requirements • Engagement of all pupils in regular physical activity
Provision of free after-school sports clubs delivered by Kanga	£4,440	• Increases participation in physical activity beyond the school day • Ensures equal access for girls, disadvantaged pupils and pupils with SEND • Supports wellbeing, inclusion and positive engagement with school • Engagement of all pupils in regular physical activityIncreased participation in competitive sport

Replenishment and upgrade of PE equipment and resources	£844	• Ensures high-quality, safe and inclusive PE lessons • Supports delivery of the full PE curriculum across all year groups • Engagement of all pupils in regular physical activity
External CPD to strengthen delivery of the dance curriculum	£1,260	• Improves staff subject knowledge and confidence in teaching dance • Enhances curriculum breadth and quality • Includes delivery of a free lunchtime club to increase pupil participation • Increased confidence, knowledge and skills of all staff in teaching PE and sport

In line with statutory reporting requirements, schools must publish data showing the percentage of pupils within their current Year 6 cohort who meet the national curriculum requirements for swimming and water safety	
Percentage of pupils who can swim competently, confidently and proficiently over a distance of at least 25 metres	**68%**
Number of Pupils who can use a range of strokes effectively	**54%**
Percentage of pupils who can perform safe self-rescue in different water-based situations	**11%**
Number of Pupils in Year 6	**28**

PE and Sport Pupil Premium Strategy: Statement on Sustainability

Worth Valley Primary School is committed to ensuring that the impact of PE and Sport Premium funding is sustainable and long-lasting, benefiting both current and future pupils.

Building staff capacity	Investment in high-quality professional development enables teachers and support staff to develop the skills, knowledge and confidence needed to deliver high-quality PE independently. This approach ensures improvements are embedded within everyday practice and sustained beyond the period of external support.
Sustainable equipment and resources	Investment in high-quality professional development enables teachers and support staff to develop the skills, knowledge and confidence needed to deliver high-quality PE independently. This approach ensures improvements are embedded within everyday practice and sustained beyond the period of external support.

Sustainable equipment and resources	Funding is used to purchase durable, versatile equipment that can be used across multiple year groups and curriculum areas. This ensures continued high-quality PE provision over several years.
Embedding a culture of physical activity	We actively promote physical activity throughout the school day, including PE lessons, extra-curricular clubs and active play. This whole-school approach supports pupils' physical and mental wellbeing and encourages lifelong participation in physical activity.
Links with community sport	We work in partnership with local sports clubs, community organisations and secondary schools to provide pathways for continued participation in sport beyond primary school. These links help pupils access opportunities outside school and support long-term engagement.

By aligning our spending with national guidance and focusing on sustainable outcomes, we ensure that the PE and Sport Premium has a measurable and lasting impact on pupils' health, wellbeing and achievement.
