Worth Valley Primary School NEWSLETTER

Headteacher's Message

Happy New Year to all our children and families—I hope you all had a lovely break. The weather has definitely not been on our side over the last few weeks, but we've certainly made up for lost time with all the learning activities we've crammed in so far this half term!

Real-life experiences and adventures are absolutely vital for our children. They provide a foundation for learning, engage children and help them make lifelong connections. This brings me on to some exciting news…

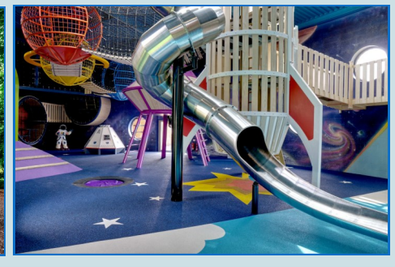

Ever since our whole school trip to Chester Zoo we have been determined to arrange a whole school visit once a year to somewhere wonderful for our pupils to enjoy as a shared experience. You will remember that last year we went to the Alhambra Theatre in Bradford to watch the pantomime.

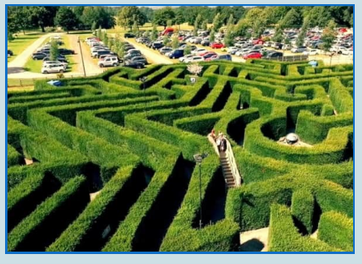

STOCKELD PARK

I am delighted to share with you that on Thursday 27th February, the whole school from Reception to Year 6 will be visiting Stockeld Park! We have been given full access to the Enchanted Forest, the Play Hive and the Maze. As with our previous whole school trips, school will cover the full cost of the visit.

Letters will be sent home once the finer details have been arranged, but for now, save the date of **Thursday 27th February!** We will be setting off from school at 9.00am promptly and returning for around 4.30pm. We have informed the children this afternoon during celebration assembly—they might be a little bit excited!

Well done to year 1, who achieved the highest overall class attendance during Autumn term with an impressive 98.01%!

They were followed by year 6 with 96.3%, with year 2 in 3rd place with 95.1%.

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

Common condition	Patient eligibility
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over

*NHS Pharmacy First Service: In pharmacies in England only. Subject to availability. Treatment is subject to suitability assessment. Normal NHS prescription charge rules apply.

I think it's safe to say that Sunset club is proving to be a roaring success already! For more information or to book a place, please contact **sunsetclub@worthvalleyprimary.co.uk**

Trustwide Panathlon

You might remember that back in October, a group of pupils participated in a Panathlon event at Carlton Keighley. Our pupils enjoyed the event so much that we organised and hosted our own Trust-wide Panathlon event on Wednesday in the school hall. We were joined by pupils from Carrwood, Reevy Hill and Woodside Academy and the tournament was thoroughly enjoyed by everyone!

Year 1 and 3 had the most amazing (and muddy!) time this week being Wild Explorers!
